

Intake Questions for Potential DreamMakers

In order to gain more information about new or potential DreamMakers in an organized way, we would like to have them answer these questions before their presentation to the board. The hope is that this process will help new folks articulate their goals efficiently and bring up some points they might not have thought of. Questions can be presented as a pdf, in the body of an email, or as a google form, whichever is most effective.

- What is the name of your project?
- What is the mission of your project? (Summarize your project in as few words as possible)
- Who will participate?
- Where will you do your thing?
- How will you engage the community?
- What is the estimated cost of your project on a monthly, yearly, or one time basis?
- How will your project be paid for?
- What do you hope to gain from the Ink People's DreamMaker Program?
- What is your key strength you will use to achieve your goals? (Don't be afraid to brag.)
- In what area(s) do you need the most support or hope to learn more of? (Understanding your needs/limitations is a sign of strength and willingness to learn.)
